

LIST OF TECHNICAL PUBLICATIONS

DR TING WEN HUI

1. Ting, W.H. and Skepper H. G. (1963). "Soil Stabilisation." Journal of the Inst. of Engineers (Malaya), March 1963.
2. Skepper H. G., Rook H. and Ting, W.H. (1966). "Earthworks and Pavements for the New International Airport for Kuala Lumpur." Proc. Inst. Civil Engineers, Dec. 1966 pp 561 - 591.
3. Ting, W.H. (1969). "A Brief Note on the Field Performance of Lateritic Soils as Applied to Road and Airfield Works in Malaysia." Journal of the Department of Engineering, University of Malaya Vol. 8, 1969.
4. Ting, W.H. (1970). "The Effect of Repeated Loading on the Stress-Strain Relationship of Saturated Remoulded Kaolin." Proc. 2nd Southeast Asian Conf. on Soil Engineering, June 1970, Singapore.
5. Ting, W. H. and Chan, S. F. (1970). "Bearing Capacity of Bakau Timber Piles in the Coastal Alluvium of West Malaysia." 4th Asian Regional Conf. on Soil Mech. and Found. Engineering, July 1971, Bangkok.
6. Ting, W.H. (1970). "A Case History of the Buckling of Steel Rail Piles in Soft Ground." Panel Discussion, Tech. Session No. 4, Proc. 4th Asia Regional Conference Bangkok, Vol. 2, pp 179 - 181.
7. Ting, W. H. (1971). "Some Aspects of Soil Stabilisation in West Malaysia." Journal of the Institution of Engineers, Malaysia. October 1971.
8. Ting, W.H. (1972). "Subsurface Exploration & Foundation Problems in the Kuala Lumpur Area." Journal of the Institution of Engineers, Malaysia. Vol. 13, June 1972.
9. Ting, W.H. and Ooi T.A. (1972). "Some Properties of a Malaysian Residual Granite Soil." Proceedings of the 3rd. Southeast Asian Conference on Soil Engineering, Hong Kong, November 1972.

10. Ting, W.H. and Chew S.H. (1973). "Investigation and Evaluation of Some Crushed Rock Aggregate Found in West Malaysia." Proceedings of the Conference on Road Engineering in Asia and Australasia, Kuala Lumpur, June 1973.
11. Chew S.H. and Ting, W.H. (1974). "Natural Rubber in Malaysian Roads." Proceedings of the Rubber in Engineering Conference, Kuala Lumpur, February, March 1974.
12. Ting, W.H. and Ladchumanan K. (1974). "Foundation of a 17-Storey Building on a Pinnacled Limestone Formation in Kuala Lumpur." Conference on Tall Buildings, December 1974, Kuala Lumpur.
13. Ting, W.H. (1974). "The Effect of Time on the Stress-Strain Relationship of Saturated Remoulded Kaolin in Undrained Tests." Journal of the Institution of Engineers, Malaysia. Vol. 17, December 1974.
14. Ting, W.H., Ooi, T.A. and Chong, S.C. (1975). "An Analysis of Pile Behaviour in the Prai Area." Proceedings of the 4th Southeast Asian Conference on Soil Engineering, Kuala Lumpur, April 1975.
15. Ooi, T.A. and Ting, W.H. (1975). "The Use Of A Light Dynamic Cone Penetrometer In Malaysia." Proceedings of the 4th Southeast Asian Conference on Soil Engineering, Kuala Lumpur, April 1975.
16. Ting, W.H. (1975). "Stability and Settlement Problems in Earthworks." Bulletin of the Institution of Engineers, Malaysia, October 1975.
17. Ting, W.H. (1975). "Construction Control Testing." Seminar-Cum-Workshop On Soil Testing Methodology Related To Road Construction - Technical Session 6. April 1975, Kuala Lumpur.
18. Ting, W.H., Yap, S.K. and Ooi, T.A. (1976). "Some Problems in Airfield Construction in Peninsular Malaysia." First Conference of the Road Engineering Association of Asia & Australasia, Bangkok, Thailand, February 1976.
19. Ting, W.H. and Ooi, T.A. (1976). "Behaviour of a Malaysian Residual Granite Soil as a Sand-Silt-Clay Composite Soil." Geotechnical Engineering, J of SEA Soc. of Soil Engr., Vol. VII, No. 2, December 1976, p. 67 - 79.

20. Ting, W.H. (1977). "A Method of Determination of K - The Lateral Earth Pressure Coefficient for Shaft Friction." *Ground Engineering*, Vol. 10, No. 3, April 1977, pp 22 - 23.
21. Ting, W.H. and Ooi, T. A. (1977). "Some Properties of the Coastal Alluvia of Peninsular Malaysia." *International Symposium on Soft Clay*, Bangkok, Thailand, July 1977.
22. Ting, W.H. (1977). "A Note on the Determination of the Bearing Capacity of Concrete Piles in Peninsular Malaysia." *Bulletin Inst. of Engineers, Malaysia*, November 1977 pp 14 - 16.
23. Ting, W.H. (1979). "Consolidation of a Partially Saturated Residual Soil." *Proc. 6th Asian Conf. on SM & Fn Engr.* Vol. 1, 1979, Singapore.
24. Ting, W.H. (1979). "Geotechnical Properties of a Malaysian Sedimentary Rock and its Residue." *Oral Contribution to Panel Discussion for Tech. Session 1, 6th Asian Regional Conference on SM & Fn Engr.*, Unpublished.
25. Ting, W.H. (1979). "Failure Planes Adjacent to Pile Shafts." *Ground Engineering*, Vol. 12, No. 5, July 1979 pp. 39.
26. Batchelor, B.C. and Ting, W.H. (1980). "Engineering Geology of Coastal Alluvium Beneath the Bayan Lepas Airport Extension, Penang Island, Malaysia." *6th Southeast Asian Conference on Soil Engineering*. Taipei, 1980.
27. Ting, W.H. (1980). "Neutral Pressure Response in a Submerged Stratum Under Tidal Water." *Proc. 6th SEA Conf. on Soil Engr.*, Taipei, May 1980.
28. Chan, S.F., Ting, W.H. and Toh, C.T. (1981). "Observed Building Deformations and Associated Damages." *10th Int. Conf. on SM & Fn Engr.*, Stockholm, June 1981.
29. Ting, W.H. and Toh, C.T. (1981). "An Analysis of the Penang Airfield Pavement." *Seminar on the Design, Construction and Maintenance of Aircraft Pavement JKR*, September 1981.
30. Ting, W.H. (1981). "Some Earth Products Problems in a Developing Country." *Ground water '81*, Kuala Lumpur, June 1981.

31. Ting, W.H. (1982). on "Stability of Slopes.;" "Road Pavement Design." Chapters 9 and 11 of Short Course on Soil Mechanics and Fm Engr., March-April 1982, Kuala Lumpur.
32. Ting, W.H., Mun, K.P. and Toh, C.T. (1982). "Characteristics of a Composite Residual Granite Soil." Proc. of 7th SEA Geot. Conf., Hong Kong
33. Toh C.T., Ooi T.A. and Ting W.H. (1982). "Strains in a Pavement Arising From Differential Settlement." Proc. of 7th SEA Geot. Conf., Hong Kong.
34. Ting, W.H. (1982). "Procedure for Specifying a Diaphragm Wall." Conference on Diaphragm Walling Techniques, May 1982.
35. Ting, W.H. (1982). "Observations on Current Practices on the Use of Timber Pile in the Building and Construction Industry." Workshop on Standardisation, Approval & Treatment of Timber Piles. SIRIM & JKR, May 1982, Selangor.
36. Ting, W.H. (1982). "Some Examples of Ground Improvement in Malaysia." Proc. A.I.T. Symposium on Recent Development in Ground Improvement Techniques, Balkema, 1985.
37. Toh C.T. and Ting W.H. (1982). "The Strain Based Analysis Of A Failed Aircraft Pavement." Unpublished.
38. Ting, W.H., Hasan, and Daulah. (1982). "Soil Improvement for Foundation of a Housing Project by Dynamic Consolidation Method." Internal Report, Unpublished.
39. Ting W. H., Toh C. T. and Chan S. F. (1983), "Pile Supported Fill". Sym. Rec. Dev. in Lab. & Field Test and Anal. of Geot. Problems, A.I.T., Bangkok, December 1983.
40. Ting W.H. and Toh C.T. (1983). "Characteristics of a Composite Residual Granite Soil." Sym. Rec. Dev. in Lab. & Field Test & Anal. of Geot. Problems, A.I.T., Bangkok, December 1983.

41. Ting W.H., Toh C.T. and Chan S.F. (1984). "Pile Supported Earth Structures." Conf. on Fn. Engineering & Construction Practice, Singapore, January 1984.
42. Ting W.H. (1984). "Stability of Slopes in Malaysia." Proc. A.I.T. Symposium on Geotechnical Aspects of Mass and Material Transport, A.I.T. Bangkok. (Also presented as Course on Quarternary Geology, University Kebangsaan Escap, Bangi, Selangor, 1984).
43. Ting W.H. and Toh C.T. (1984). "A Study of Damage to a Heavily Loaded Flexible Pavement." Symp. on Geot. Aspects of Mass and Material Transportation, A.I.T. Bangkok.
44. Ting W.H. (1985). "Foundation in Limestone Areas of Malaysia." Special Lecture, Proc. of 8th S.E.A. Geotechnical Conference, March 1985, I.E.M.
45. Ting W.H., Toh C.T. and Ooi T.A. (1985). "Behaviour of a Raft Foundation on Improved Soil and Rock". Proc. 8th S.E.A. Geot. Conf., Kuala Lumpur, pp 3-64 to 3-80.
46. Ting W.H., Tan, G.Y. and Toh C.T. (1985). "Foundation for Sri Mara Complex." Proceedings 8th S.E.A. Geotechnical Conference, Kuala Lumpur, p. 4-68 to 4-72.
47. Ting W.H. and Toh C.T. (1985). "An Instrumented Bored Pile With Soil Improvement for Increased Shaft Resistance." 11th International Conference of ISSMFE, San Francisco.
48. Balasubramaniam, A.S., Ting, W.H., Bergado, D.T. and Sivandran (1985) "Engineering Behaviour of Soils in South East Asia." Geot. Engineering in S.E.A. Commemorative Volume SEAGS, A.A. Balkema pp 25 - 96.
49. Ting, W.H. (1985) "A Simplified Method of Estimating Settlements of Individual Piles". Ground Engineering, September 1985, pp. 34 - 36.
50. Ting, W.H. and Toh C.T. (1986). "Some Problems in Ground Improvement In Malaysia Resulting From Secondary Consolidation." I.E.M. - JSSMFE Jt. Symposium on Geotechnical Problems, March 1986, Kuala Lumpur.

51. Toh, C.T., Chee, S.K. and Ting W.H. (1986). "Design, Construction And Performance of a Geogrid Reinforced High Slope And Unreinforced Fill Slopes." I.E.M. - JSSMFE Jt. Symposium on Geotechnical Problems, March 1986, Kuala Lumpur.
52. Ting, W.H. and Toh, C.T. (1986). "Parameters for Design on Soft Ground." Seminar on Geotechnical Development in Malaysia. D.I.D. Malaysia, September 1986.
53. Ting W.H., Toh C.T. and Chee, S.K. (1987). "Movement and Stability of Slopes in Residual Soil Fills." Vol. 1, Proc. 8th Asian Regional Conference on S.M.F.E., Kyoto, Japan, p. 503-508.
54. Ting, W.H. (1987). "Conceptualisation by Mechanism in Stability Problems." Panellist Contribution, Discussion Session 6, Vol. 2, Proc. 8th Asian Regional Conference on S.M.F.E., Kyoto, Japan.
55. Ting, W.H. (1987). "The Use of Small Concrete Piles in Malaysia." Bulletin of the Institution of Engineers, Malaysia, May 1987
56. Ting W.H., Wong, T.F. and Toh, C.T. (1987). "Design Parameters for Soft Grounds in Malaysia." Proc. 9th S.E.A. Geotechnical Conference, Bangkok, December 1987.
57. Toh, C.T., Ting, W.H. and Ooi, T.A. (1987). "Allowance Bearing Pressures for Shales and Sandstones of the Kenny Hill Formation." Proc. 9th S.E.A. Geotechnical Conference, Bangkok, December 1987.
58. Toh C.T., Chin, R.Y.C., Ting, W.H., Jaffar M. & Yeo H.S. (1987). "Auger Piles and Minipiles in Cavernous and Pinnacled Limestone." Proc. 9th S.E.A. Geotechnical Conference, Bangkok, December 1987.
59. W.H. Ting and Wong, T.F. (1988). "Geotechnical Problems Of Some Soft Deposits In Sarawak." Sarawak Geotechnical Symposium, 30th March 1988, Kuching, Sarawak.
60. Ting, W.H., Toh, C.T., Choong, P.K., Wong, T.F. and. Chiam, T.T. (1989). "The Behaviour Of An Instrumented Dowel Installed To Stabilise Slope Movements." Conf. On Instrumentation In Geot. Engineering, Univ. of Nottingham, 3 - 5 April 1989 (ICE).

61. Toh, C.T., Ooi, T.A, Chiu, H.K. Chee, S.K. and Ting W.H. (1989) "Design Parameters for Bored Piles in a Weathered Sedimentary Formation". Proc. of the 12th Int'l Conf. on Soil Mechanics and Found. Engr., Rio De Janeiro, August 1989.
62. Ting, W.H., Chan, S.F. and Kassim, K. (1989). "Embankment with Geogrid and Vertical Drains." International Symp. on Trial Embankments on Malaysian Marine Clays, November 6-8, 1989, Kuala Lumpur.
63. Ting W.H. (1989). "Embankment with Geogrid and Vertical Drains." Discussion – ditto – p35-1 to p35-3
64. Ting, W.H. and Wong, T.F. (1990). "Building On Reclaimed Mining Land". Proc. of the 10th Southeast Asian Geotechnical Conference. 16 - 20 April 1990, Taipei, Taiwan, R.O.C.
65. Ting, W.H., Zulkifly, G. and Nithiaraj, R. (1990). "Study on The Stability of Slope Along Seremban - Ayer Keroh Expressway." - Seminar on Geotechnical Aspects of The North-South Expressway, 5 to 6 November, 1990 (PLUS).
66. Ting, W.H., Oo, G.H., Ng, S.J. and Lau, L.Y. (1991). "Geotechnical Aspects Of Reclaiming Mining Ponds Along An Expressway."
67. Ting, W.H. and Chan, S.F. (1991). "Improvement of Fill by Compaction for Building Purposes." 9th Asian Regional Conference on Soil Mechanics & Foundation Engineering", Vol. 1, 9-13 Dec. 1991, Bangkok, Thailand.
68. Ting, W.H. and Chan, S.F. (1991). "Soil-Structure Interaction And Foundations." Theme Lecture, 9th Asian Regional Conf., Soil Mechanics & Foundation Engineering - 9-13 Dec. 1991, Bangkok, Thailand.
69. Ting, W.H. (1992). "Geotechnical Factors in Reclamation of Tin Mining Land ." Regional Seminar on Land Reclamation for Urban Development, 10 & 11 August 1992, Institute for Advanced Studies, University of Malaya.
70. Ting, W.H., Nithiaraj, R, Ng, S.J. (1992). "The Performance of Treated Mining Pond Slime." Nov. 30, Dec. 4 1993, Bangkok, Thailand, Symp. on Prediction Versus Performance in Geotechnical Engineering, AIT/SEAGS.

71. Ting, W.H., Lau, L.Y. and Chen, M.S. (1993). "Treatment of Cavities for Piled Foundations." Forum on Urban Geology and Geotechnical Engineering in Construction - 1st July 1993, IEM Seminar Hall.
72. Ting, W.H. (1993). "Rehabilitation of Ex-Mining Land for Building and Road Construction." Prof. Chin Lecture, IEM.
73. Ting W.H. (1993). "Report on Braced Excavation in Soft Ground." ISSMFE TC28, Underground Construction in Soft Ground National Report on Codes of Practices, Regulations and Authorative.
74. Ting, W.H., Chan, S.F. and Ooi T.A. (1994). "Design Methodology and Experiences with Pile Supported Embankments." Symposium on Development in Geotechnical Engineering (From Harvard to New Delhi), 12 - 16 January 1994, Thailand.
75. Ting, W.H. and Tan B.K. (1994). "Geotechnical Aspects of Coastal and Estuarine Development in Malaysia." Conference on Deep Foundations and Ground Improvement Schemes, 21-24 November 1994, Bangkok, Thailand.
76. Ting, W.H., Ooi, T.A. and Tan, B.K. (1995). "Tunnelling Activities in Malaysia.", Proc. of the South East Asian Symposium on Tunnelling and Underground Space Development, 18-19 January 1995, Bangkok, Thailand
77. Ting, W.H. (1995). "Design Concepts for Building on Hill-Sites." Proc. Symp. On Hillside Development : Engineering Practice and Local By-Laws, April, Institution of Engineers Malaysia, June 1996
78. Ting, W.H., Varaksin, S., Tan, K.P and Spaulding, C. (1995). "Vacuum Consolidation and Dynamic Replacement Columns for Embankment Foundation on Mining Slimes." 10th Asian Regional Conference on Soil Mechanics and Foundation Engineering, 29 August - 2 Sept. 1995, Beijing, China.
79. Ting, W.H. (1995). "The investigation of natural clays in Malaysia." UTM Short Course in The Development of Geotechnical Engineering in Malaysia, UTM, Kuala Lumpur, 27th September 1995.

80. Chan, S.F. and Ting, W.H. (1996). "Micropiles." Twelfth Southeast Asian Geotechnical Conference, 6-10 May, 1996, Kuala Lumpur.
81. Nithiaraj, R., Ting, W.H. and Balasubramaniam A.S. (1996). "Strength Parameters of Residual Soils and Application to Stability Analysis of Anchored Slopes." Geotechnical Engineering, Journals of Southeast Asian Geotechnical Society, AIT, Volume 27 Number 2 December 1996.
82. Ting, W.H. & Tan Y.K. (1996) "The Movement of a Wharf Structure subject to Fluctuation of Water Levels" XIVth International Conference on Soil Mechanics & Foundation Engineering, September 6-12, 1997, Hamburg, Germany.
83. Ting, W.H. (1997). "Geotechnical Considerations in Malaysia for Land Reclamation Projects." Seminar on "Land Reclamation for Coastal and Riverine Development" on 12-13 September 1997, Hyatt Regency Kuantan, Pahang
84. Ting, W.H. and Tai, L.Y. (1998). "Micropiles in Malaysia." The Institution of Structural Engineers, UK, p.1 – 3, Feature Article.
85. Ting, W.H. (1998) "The Application of Ground Treatment in Malaysia." IEM Short Course on Geotechnical Engineering, 17-18 June 1998, Kuala Lumpur.
86. Ting, W.H. (1998). "Blueprint for Infrastructure Development – The Next Decade (1998 – 2007)." ASLI, The Malaysian Infrastructure Forum, 27 & 28 October 1998, Selangor Darul Ehsan
87. Ting, W.H. (1998). "A Survey of Pile Systems in Malaysia – Past and Present." IEM Foundation Course, 30 – 31 October 1998, Kuching, Sarawak
88. Ting, W.H. and Nithiaraj R. (1998). "The stabilisation of slopes in weathered formations in Malaysia by ground anchorages." 13th SEAGC, Special Lecture, 16th – 20th November 1998, Taipei.
89. Ting, W.H. (1999) "A Survey of Embankment Construction Practice and Future Developments" Year 2000 Geotechnics, AIT, Bangkok.
