

Dr. Erwin Oh, PhD, MIEAust

Dr Oh is the Associate Dean (International) for Griffith School of Engineering and a Senior Lecturer in Geotechnical Engineering at Griffith University. He received his Bachelor of Engineering and Master of Engineering from National Taiwan Ocean University, and his PhD from Griffith University. Dr Oh specialises in the field of geotechnical and pavement engineering. He has co-authored over 100 refereed journal and conference articles. His research interests include geotechnical issues for road infrastructure, soft clay behaviour, ground improvement techniques, and numerical modelling. Dr Oh has been working as academic and consultant in Civil Engineering for more than 20 years. Further, he has research collaboration with international partners and is actively engaged with the industry. Dr Oh had previously served as Chairman (2011 to 2013) and Committee member (2004 to 2015) for Engineers Australia Gold Coast regional group, Chairman (2012) and Committee member (2006 to 2012) for Australian Geomechanics Society Queensland Chapter.
