

## **Geotechnical Research Centre: Dr. Suttisak Soralump & Prof. Warakorn Mairaing**

**Dr. Suttisak Soralump with Dr. Noppodol Phienwej and Dr. Wanchai Tepraksa**

Geotechnical Engineering Research and Development center (GERD) is established in 1996. Dr Warakorn Mairaing was a founder and was a director for 8 years until his retirement.

Dr. Suttisak Soralump became a director since then. Now GERD has almost 15 full time geotechnical research engineers with various field but concentrate in the expertise of Dr. Suttisak which are dam engineering, landslide engineering, geotechnical earthquake engineering. GERD serves the research and development of many government sectors and also working in harboring countries.
