

HATTI ACTIVITIES: AGSSEA

Geotechnical Activities of Professional Societies include

- 1: Organization & participation in conferences**
- 2: Publish Journals & Conference Proceedings**
- 3: Publish Newsletters**
- 4: Maintain an active Web**

SEAGS has done these since 1967: HATTI seem excellent: Next SEAGC-AGSSEAC will be in Jakarta: from together with 21st Scientific Gathering of Indonesian Geotechnical Society on Nov 7-8, 2017. Additionally they have participated (also organized) in 50th SEAGS Anniversary, 19th ICSMGE, Pile2017, INA-IGS Educate the Educators program and Geosintetik Indonesia 2017.
