## ANNOUNCEMENT

International Conference on Soft Ground Engineering (ICSGE2015) is jointly organized by the Geotechnical Society of Singapore (GeoSS), the Centre for Soft Ground Engineering (CSGE) at National University of Singapore (NUS), and the Building and Construction Authority (BCA). The ICSGE2015 offers a platform for engineers and researchers to interact and share experience on geotechnical design and construction issues in soft ground.

## TOPICS

- Excavation and retaining structures in soft ground
- Foundations and structures on soft ground
- Ground improvements in soft soils
- Laboratory and numerical studies on soft soils
- Case studies on soft ground engineering problems

Papers from other themes relevant to conference are also welcome.

Companies/Organizations that are interested to be conference sponsors or exhibitors may contact Conference Chair **Prof C F Leung**  
(e-mail: ceelcf@nus.edu.sg)

## IMPORTANT DATES

Abstract due	<b>15 Mar 2015</b>
Acceptance of abstract	<b>15 Apr 2015</b>
Full paper due	<b>30 Jun 2015</b>
Acceptance of full papers by	<b>31 Aug 2015</b>
Author registration due	<b>31 Oct 2015</b>

## ABSTRACT SUBMISSION

Abstracts of about 300 words must include the title of the paper, authors' names, e-mails and affiliations. All submissions must be in English and should be made via the online submission system found at <http://www.geoss.sg/icsgs2015>. The required file format is Adobe Acrobat PDF or MS Word in one single file for each submission. The abstracts must be received by 15 March 2015.

All the accepted papers will be published by Research Publishing, Singapore and each paper in the proceedings will get DOI number assigned and deposited into *CrossRef* ([www.crossref.org](http://www.crossref.org)). The publication will be submitted to ISI Web of Science, Scopus and other subject related indexers for possible indexing.

## Singapore — Origin of the Lion City

In the 13th-century Malay Annals, Sang Nila Utama, a prince from Palembang was shipwrecked and washed ashore to an island. There he saw a creature which he believed was a lion. Taking it to be a good sign, he founded a city, naming it “The Lion City” or Singapura, from the Sanskrit words “simha” (lion) and “pura” (city).
