Host City - SEOUL

Seoul, the capital city and the heart of Korea’s culture and education as well as politics and economics, is a city with the history of more than 600 years. Seoul is unique in that historical sites and modern cultural facilities coexist in harmony. It has been always bustling with colorful events, performance and reenactments of traditional activities together with many international events, including the 1988 Summer Olympic Games, the 2002 FIFA World Cup Korea/Japan and the G20 Seoul Summit.
