Director, Human Resources at Paradigm Electronics Inc.

It was an absolute pleasure working with Vasantha. Not only is he a guru of all things geotechnical, he is an excellent people manager. If I were a

Geotechnical Engineer, I would look for mentors such as Vasantha to help guide my career.

Senior Associate, , Air Law and Policy at Aviation Strategies International

I was a classmate of Vasantha through elementary and high school up to the university entrance class. Right through the 12 years at school during which I knew him he was the best student in class, particularly in all the science subjects.
